Self-drive Tips

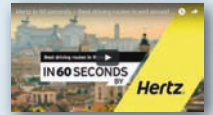

You will require an International Driving Permit (IDP) if you possess a non-European driving licence. When driving on Highways and National roads, the dipped headlights must be used at all times (day and night). Apply for Telerent, a portable device for paying toll on the motorway without any queue.

Restricted Traffic Zone – Traffic is restricted in historical centres known as Zona a Traffico Limitato (ZTL) where entry is only permitted to registered vehicles (residents).
