If a prepaid reservation is cancelled more than 24 hours before the pickup time, a \$50 cancellation fee will be assessed. If the prepaid reservation is cancelled within 24 hours before the pickup time, a \$100 fee will be assessed. If the customer does not cancel the reservation prior to the time of pick-up and the rental vehicle is not picked up on the rental date, the entire prepaid amount will be forfeited.

Debit cards and Hertz Credit Cards are not valid forms of payment for prepaid rates.
- When renting the vehicle at the counter, you must produce the same credit card with which you paid online and a valid driver's license. - CDP: A CDP code can be added to a reservation. However, there may be circumstances in which this CDP code is linked to a negotiated discount or rate that does not match Hertz retail prepaid rates. In this circumstance, the customer will see the error message: 'No prepaid available'. The customer may cancel the original reservation (see terms and conditions for Cancellations) and make a new reservation adding the CDP number.

- A valid drivers license and credit card must be presented at the time of rental to cover any reasonably anticipated charges which have not been included in the prepaid voucher.
