Terms and Conditions – Hertz Affordable Europe® Program (Effective 1/1/2007 – 12/31/2007)

Prepaid Program

Rates are converted to U.S. dollars based on the currency conversion rate at time of reservation/payment. Rates include unlimited mileage, Value-Added Tax and mandatory fees, and are available with or without Theft Protection and Collision Damage Waiver. Rates are valid for a minimum-3-day rental and may exclude Theft Protection, Collision Damage Waiver, Personal Accident Insurance, one-way rental charges, and other services, as well as taxes on these items.

Theft Protection is mandatory in Albania, Italy, Hungary, Macedonia and Slovenia, and, if not prepaid, must be accepted at the counter at the time of rental in local currency in a form of payment acceptable to Hertz. Third-party property damage is mandatory in Israel and cannot be prepaid. It must be accepted at the counter and paid for in local currency at the time of rental in a form of payment acceptable to Hertz.

Prepaid Program – Reservations and Payment

Reservations must be made at least 8 hours prior to vehicle pickup. Payment will be charged to a credit card acceptable to Hertz at the time of booking. Upon confirmation of payment, Hertz will fax a proof-of-purchase voucher to travel agent or client with a U.S. fax number. To receive voucher by mail, 14 days advance notice prior to departure is required. Prepaid vouchers can only be sent by U.S. mail or faxed correspondence. This voucher is nontransferable and must be presented at time of rental. Local tax and service charges, if not prepaid, will be added to the rental charges and must be paid in local currency at time of rental.

Prepaid Program – Changes and Cancellations

There is no fee for either changes or cancellations; however, changes could affect the current rental rate. Where changes or cancellations are made before the rental start date, the credit process will begin immediately. Where changes or cancellations are made after the rental start date, the credit process will begin upon receipt of original unused vouchers or portions of vouchers returned to (in the U.S.) The Hertz Corporation, P.O. Box 26141, Oklahoma City, OK 73126, or faxed to 1-405-280-6560. Credit will be given on request for unused vouchers or unused portions of vouchers after a 3-day minimum is met.

Non-Prepaid Program

Rates are valid for a minimum-3-day rental, include unlimited mileage and are available with or without Collision Damage Waiver and Theft Protection. 1- to 2-day rentals may be available in selected countries only. All rental charges, optional Collision Damage Waiver, Theft Protection, Personal Accident Insurance, service charges, and one-way rental charges, as well as taxes on these items, must be paid for in local currency at the time of rental in a form of payment acceptable to Hertz. Theft Protection is mandatory in Albania, Italy, Hungary, Macedonia and Slovenia, and must be accepted at the counter at time of rental and paid for in local currency in a form of payment acceptable to Hertz. Third-party property damage is mandatory in Israel, and cannot be prepaid. It must be accepted at the counter and paid for in local currency at the time of rental in a form of payment acceptable to Hertz.

Rental Days and Extra Days

A rental day is considered 24 consecutive hours and commences at time of rental. A grace period is allowed on the day of return. If the car is returned beyond the expected return time, extra days will be charged based on the prevailing local rate.

Availability

Rates are guaranteed at time of booking and are available to U.S. residents, who must book in the U.S. prior to departure. Rates are subject to change without notice. Cars will be confirmed by car group only, and not by car model within a class. Availability may be limited and blackout periods may apply. The Hertz Affordable Europe Program is available at participating locations in Europe.

Additional Rental Information

One-way rentals are available between most Hertz locations within country of rental. Specialty vehicles, such as Hertz Prestige Collection, automatics and minivans, may be excluded. Rates may not include mandatory road tax, service charges, or registration fees. If not prepaid, these will be added to the rental charges and must be paid for in local currency at time of rental. A service charge applies on all car rentals at many airports, downtown, and rail stations in Europe. Fees are subject to change without notice. Please confirm rate at time of booking. Standard rental qualifications, rental period, and return restrictions in effect at time and place of rental apply. Restrictions exist on driving rental cars from some countries into countries in Eastern Europe. Please check with Hertz reservations if plans include such travel.

Driver Qualification

Hertz standard driver and credit qualifications for the renting location apply. Minimum/maximum age limits apply. International Driving Permit is mandatory in Greece and recommended in most European countries. ALL renters from Non-European Union countries MUST present an International Driving Permit in addition to their national Driving License when renting in Greece. Hertz counter personnel in Greece will ask the renter for an International Driving Permit and, without it, the customer will not be allowed to rent. If renters are stopped by the Greek Police, they will be expected to produce this International Driving Permit.
