Vehicle Condition Report

When you rent a vehicle from Hertz, you are responsible for returning that vehicle to Hertz in the same condition as it was in at the start of the rental, with the exception of fair wear and tear.

A Vehicle Condition Report is incorporated into the rental agreement or a report labelled 'Vehicle Condition Report' handed to you at the counter when you collect your vehicle. This report will identify any pre-existing damage that there may be to your vehicle. We ask that you check the condition of your vehicle when you collect it and, if there is any discrepancy between its condition and the Vehicle Condition Report, you return to the counter and request that the report be amended or a new report be prepared.

This practice has been introduced for the peace and mind of our renters and Hertz.
