<tr>
<td><strong>Damage to Vehicle</strong></td>
</tr>
<tr>
<td>You are responsible for any loss or damage to the vehicle (and related losses and fees) during the rental even if it is not your fault, subject to some exceptions and to the terms of this Agreement. If there has been no Prohibited Use, then the maximum amount you must pay is the Loss Damage Liability (LDL) per incident, which is set out on your Rental Agreement. You may also be able to purchase Optional Renter Protection Services to reduce or eliminate this liability. However, if the loss or damage is caused by a Prohibited Use of the vehicle, you are liable for that loss or damage up to the full value of the vehicle and related losses and fees including third party losses. You cannot rely on the LDL or any Optional Renter Protections Services you may have purchased to reduce this liability. See Damage and Loss on page 8 for details.</td>
</tr>
<tr>
<td><strong>Prohibited Use</strong></td>
</tr>
<tr>
<td>Prohibited Uses that may result in full liability include either you or an authorised driver incurring overhead or undercarriage damage, driving on unsealed roads, failing to safeguard the vehicle (eg. leaving keys in vehicle) or allowing an unauthorised driver to drive the vehicle. See page 6 for the full list of Prohibited Uses.</td>
</tr>
<tr>
<td><strong>Optional Renter Protection Services</strong></td>
</tr>
<tr>
<td>You may reduce the LDL by purchasing a full or partial Loss Damage Waiver (LDW) or eliminate the LDL by purchasing Super Damage Waiver (SDW) or Maximum Damage Waiver (MDW). However, if there is a Prohibited Use of the vehicle, you cannot rely on LDW, SDW, MDW or any other Optional Renter Protection Service to reduce or eliminate your liability. See page 16 for details of the Optional Renter Protection Services.</td>
</tr>
<tr>
<td><strong>Personal Possessions in the Vehicle</strong></td>
</tr>
<tr>
<td>Hertz is not responsible for any loss or damage to your or your passenger’s personal possessions in the vehicle, even in the event of an accident, break-in or theft of the vehicle.</td>
</tr>
<tr>
<td><strong>Pick Up</strong></td>
</tr>
<tr>
<td>You should check the vehicle for damage before you drive away and record any variations on the Vehicle Condition Report in conjunction with a Hertz Staff Member or our APP or an electronic platform we provide to you. You are invited to take a time stamped photograph of the relevant pre-existing damage and upload to our APP or electronic platform before leaving the rental location and show a Hertz representative on return.</td>
</tr>
<tr>
<td><strong>Roadside Assistance</strong></td>
</tr>
<tr>
<td>We provide basic roadside assistance with the vehicle. It will not cover you for assistance required for incidents that are your fault (eg. running out of fuel or electricity, lost keys or locking keys in the vehicle). The Roadside Assistance number should be used in the event of either an accident or a breakdown. In the event that the tow is required because you allowed the EV’s battery to fully discharged, you will be liable for that cost.</td>
</tr>
<tr>
<td><strong>Return</strong></td>
</tr>
<tr>
<td>You may incur additional charges if you return the vehicle at a different time or place to that agreed with us or if it is in an excessively dirty or smelly condition. Smoking in the vehicle is prohibited. If the vehicle is returned smelling of smoke an extra cleaning fee will be levied.</td>
</tr>
<tr>
<td><strong>Out of Hours Return</strong></td>
</tr>
<tr>
<td>If we agree to you returning outside location hours, please be aware that you will be responsible for the vehicle until our staff regain possession of the vehicle when the location re-opens.</td>

## What is included in the rental rate

<table>
<thead>
<tr>
<th>Category</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Kilometres</td>
<td>Your Rental Agreement may note that a per kilometre charge is applicable if a daily kilometre limit is exceeded, depending on the type of vehicle you rent or your pick up location. If a limit on distance applies, the daily kilometre allowance will be shown on your Rental Agreement. If you exceed this daily allowance, a charge may apply for the additional distance covered.</td>
</tr>
<tr>
<td>Collision Damage Waiver</td>
<td>Collision damage waiver is included in your rental rate and reduces your liability to us for loss or damage to the rental vehicle or related third party damage to the amount of the applicable Loss Damage Liability (LDL) as stated on your Rental Agreement, except in the event of a Prohibited Use.</td>
</tr>
<tr>
<td>Fuel</td>
<td>Hertz will usually provide our ICE Vehicles to you with a full tank of fuel. Where the tank is not full, a credit for the extent to which the tank is not full is provided. You can either return the vehicle full or pay for us to refill the tank for you at the rate shown on your Rental Agreement.</td>
</tr>
<tr>
<td>Electricity</td>
<td>Hertz will provide our EVs to you with up to 90% charge. You can either return the EV at the same % as the battery departure level or pay us to recharge the EV for you on its return. Please see Appendix 1 (Charges Explained) for more information on the charges for fuel and electricity re-charging.</td>
</tr>
<tr>
<td>Roadside Assistance</td>
<td>There is a basic breakdown service included in your rental to cover call outs for mechanical faults and accidents where you are not at fault. If you are at fault (eg if you have locked the keys in the car or run out of fuel or electricity on the road), you will be charged the Roadside Assistance fee.</td>
</tr>
</tbody>
</table>
What is not included in the rental rate

You have the option to add the following items to your rental for an additional charge:

- **Additional driver** – We will need to see their driver's licence.
- **Additional equipment**
  - Hertz GPS
  - Infant (child) seats
- **Fuel Purchase Option for ICE Vehicles** – You may choose to pre-pay for a whole tank of fuel in advance so you don't need to fill the tank on return (although no refund will be given for any unused fuel).
- **Half Tank Option for ICE Vehicles** – If you are only travelling a short distance, at selected locations you may choose to pre-pay for a half tank of fuel in advance so you don't need to fill the tank on return (although no refund will be given for any unused fuel).
- **Electricity for EVs:** Rental rates do not include the cost of electricity required to charge an EV. If the EV is returned with a charge level below the battery departure level, or if the EV is recharged by a third party that invoices Hertz instead of you, additional charges will apply (see ‘Electric Vehicles (EVs)’ section below for more information).

Optional Renter Protection Services are available to purchase for an additional charge and can either reduce or eliminate your liability to Hertz for loss or damage to the vehicle (provided there is not a Prohibited Use of the vehicle), or provide cover for other purposes depending on the services you select:

- **Loss Damage Waiver (LDW)** – You can reduce the LDL to a lower amount as stated on your Rental Agreement, by purchasing a full or partial waiver of your liability to us. Your reduced liability sum will be shown on your Rental Agreement. This will be the maximum amount that you are liable to us per incident, whether it be in respect of a Towing fee or for damage to the Vehicle, or for loss or damage to the Vehicle’s keys, or to the accessories the vehicle comes with as standard. (It will not reduce your liability for optional additional accessories purchased, such as infant seats or GPS.)
- **Maximum Damage Waiver (MDW)** – You can reduce the LDL to zero and you will benefit from:
  - No liability for damage to the Vehicle, or for loss or damage to the Vehicle’s keys or the accessories the vehicle comes with as standard. (It will not reduce your liability for optional additional accessories purchased, such as infant seats or GPS.)
  - Fees waived in respect of Towing, Hertz Claims Management Fee and External Damage Assessment Fee
  - The charge for MDW is capped at 10 days per 30 days rental (i.e. pay for 10 days, get up to 20 additional days' cover for free)

  *Please note that for Heavy Commercial Vehicles, this product will reduce liability to the sum shown in the Rental Agreement (it will not reduce liability to zero).*

- **Super Damage Waiver (SDW)** – You can reduce the LDL to zero and you will benefit from:
  - Maximum Damage Waiver (MDW – see above)
    - Additional Driver
    - Roadside Assistance Call Out (in the event of your fault) fees are waived

  *Please note that SDW is not available for Heavy Commercial Vehicles.*

- **Toll Cover** - You can pre-pay your toll charges incurred during your rental for a daily flat fee as advised at the time of reservation.

A range of fees and charges may apply to your rental (see Annexure 1 (Charges Explained)). The amounts may be specified in the Rental Agreement provided to you on pick up.

We do not cover you for:

- **Parking and traffic fines** you incur on your trip
- **Private parking charges**
- **Road tolls** (unless you have purchased Toll Cover)

If we receive notices for fines and parking charges during the rental period we will give the authorities your name, address and driver’s licence details and charge a Processing Fee. Toll charges and Processing Fees will be charged to you directly by Hertz (unless You have purchased Toll Cover), applied to your chosen method of payment.
Agreement

• Your Rental Agreement is the document you sign (by hand or electronically) when you pick up your vehicle (generally headed “Rental Agreement”) which includes a summary of your rental (e.g. length, optional services purchased and an estimate of charges to be paid).   – the terms set out in the Rental Agreement;
  – these Rental Terms including Annexures & Key Facts; and

Each Rental Agreement will display charges for a maximum number of days as noted on your Rental Agreement. If your reservation is for longer than this period, please ask the location for an extended estimate to understand the full rental charges applicable.

The Agreement is made with Hertz Australia Pty Ltd ABN 31 004 407 087 of L1 105 York Street, South Melbourne, VIC 3205, or, if a Hertz sub-licensee is identified on the Rental Agreement, that sub-licensee (Hertz or we).

If the vehicle is provided by Hertz Australia Pty Ltd then the Agreement is governed by the laws of Victoria Australia. If the vehicle rental is provided by a sub-licensee then the Agreement is governed by the laws of the State or Territory in which the relevant Hertz sub-licensee is situated.

If any term is illegal or unenforceable, that term is severed from the Agreement and the remaining terms continue to apply.

Additional funds to cover the cost of your Rental Agreement will be collected for each 30 day period. If your rental is longer than this period, the location is able to provide a detailed estimate for the full period upon request.

Termination of Rental Agreement

• We reserve the right to terminate your Agreement at any time by providing 2 days written or verbal notice (including by email or SMS) if:
  – you have not paid an invoice or any other request for payment (whether verbal or in writing) or your chosen method of payment (if not cash) is declined or your bank reverses the charges made and you fail to pay the amount due within 24 hours of being notified by Hertz that the invoice is outstanding;

• We may terminate your Agreement at any time on 30 days’ notice.
• Any terms of the Agreement that are intended to apply after the termination of the Agreement, will survive including the terms in Damage and Loss on page 8.
Electric Vehicles (EVs)

**EV Basics**

- Daily rental rates do not include the cost of electricity required to charge an EV. Hertz will provide our EV to you with up to 90% charge and ask that you return it with no less than 15% charge.
- You will be able to access public charging networks to recharge your EV.
- Our EVs have a standard battery capacity and range. The performance of that battery depends on the conditions under which it is operated, which is the responsibility of the driver.
- The battery charging limit on your EV rental should be set at 90% maximum. This limit should only be increased to 100% in critical circumstances, as doing so can lead to significant battery degradation.
- Our EVs come with 2 charging cables. It is important to look after both cables and ensure they are returned undamaged with the vehicle. The cost for each replacement cable is $500, which will be charged to you if necessary.
- Our EVs come with a keycard. You must take good care of this keycard and ensure it is returned undamaged with the vehicle. The cost for a new keycard is $80, which will be charged to you if necessary.
- Any underbody or battery damage caused by driving over foreign objects is not covered by damage liability reduction or waiver products, and you will be liable for this damage.
- Hertz will not be responsible for removing any personalisation created in the EV. For example, if you sign into Netflix or Spotify, then you are responsible for logging out at the end of your rental. Hertz is not responsible if you fail to log out and another renter uses your account.
- EVs must not be driven through an automatic car wash; this is a Prohibited Use. Damage that occurs from driving an EV through a car wash is not covered by any damage liability reduction or waiver products, and you will be liable for all costs associated with damage caused from this prohibited use.

**EV – Additional Charges**

**Government/Council Road User Recovery:**

The government or council (as applicable) may have road user charges applied to EVs based on km's driven. Hertz will charge any such applicable fees to you, based on your departure location. Hertz will pass on the applicable fees collected from you to the appropriate government or council bodies.

**Recharging costs**

If you return the EV at a lower charge than the battery departure level:

- we will charge you the EV Battery Recharging Service fee to bring the EV back up to the battery departure level; and
- If you return the vehicle at 15% battery level or less, we will apply an additional Low Battery Recharging Service fee.

If you return the EV with at least the same level of charge as at the battery departure level, then:

- If you used a Hertz account 3rd party recharging station and this recharging cost is passed to Hertz (rather than paid for by you), we will pass on these recharge costs to you upon receipt of an invoice from the EV charge provider, and apply an EV Administration Processing Fee.
- If you recharged the EV entirely at your own cost, no such fees (EV Battery Recharging Service fee or EV Administration Processing Fee) will be payable.

Any applicable charges will be processed on your card. Please see Annexure 1 (Charges Explained) for more information on these fees that may be payable.

**Pick up**

**Charges**

- You agree to pay the rental rate for the vehicle, compulsory fees, fees for any optional services and other fees that may arise during your rental. Please see Annexure 1 (Charges Explained) for an explanation of these fees.
- Your Rental Agreement shows an estimate of any charges agreed to at the start of the rental for the period indicated on the Rental Agreement (if the charges have not been prepaid). If your rental is for a longer period the location can provide a full estimate on request. You agree to pay these charges and any other fees that arise by the end of the rental period.

**Vehicle**

**Condition:** It is your responsibility to check the overall condition of the vehicle at the start of the rental period and on return. We will provide a summary of any pre-existing damage on our Vehicle Condition Report on your Rental Agreement.

**IMPORTANT**

We typically reserve an amount on your chosen method of payment (or take a deposit) at least equal to the estimated charges plus a security bond (amount is shown on your Rental Agreement). This reserved amount may be released (or deposit refunded) on return of the vehicle following payment of the rental charges. For a further explanation on the Rental Agreement charges, discuss with the location staff at time of pick-up or check online before travelling at www.hertz.com.au/qr

**IMPORTANT**

If you are renting a vehicle in Tasmania, you may be requested by government authorities to present a Tasmania Transport Commission accreditation certificate. Hertz is an accredited Hire & Drive Passenger Service issued by the Transport Commission of Tasmania and we display our certificate in all operational locations and provide an online link for our rental customers to access online at www.hertz.com.au/ttcaccreditation.

**Care:** You are responsible for looking after the vehicle and reducing the risk of breakdown and damage by making sure there is not a Prohibited Use of the vehicle (defined below). You must also make sure you use the correct fuel and check the tyre pressures, oil and other fluids are maintained at the specified level, refilling as necessary.

**Maintenance:** In the case of a long term rental (being a rental over 30 days), if the rental period spans the normal maintenance period (being the next service noted on a sticker inside the windscreen, or a service indicator illuminating on the dashboard). You must return the Vehicle to the nearest Hertz location to arrange for the vehicle to be serviced or exchanged.

**Fuel:** We will usually supply your ICE Vehicle with a full tank of fuel. Where the tank is not full, we will provide you with a credit for the missing fuel. You will need to return the vehicle with a full tank or pay for the additional fuel required to fill the tank on return at the price indicated on the Rental Agreement. If the vehicle is from the Hertz Prestige, Adrenaline or Dream Collection, you must only refuel with the type of fuel specified by Hertz location staff.
**IMPORTANT**

You are responsible for returning the vehicle in the same condition as it was in when we provided it to you, subject to fair wear and tear. Our fair wear and tear guide can be found online at www.hertz.com.au/fwt. Please see the Damage and Loss section on page 8 to understand your responsibility for damage and loss to the vehicle and Annexure 3 (Damage Policy) on page 16 to understand how we will process damage caused during your rental.

**Key information**

**Fuel Purchase Options**

**Full Tank**

You might find it more convenient to pay for a full tank at the start of the rental and save time refuelling on return by taking this option (although no refund will be given for any unused fuel).

**Half Tank**

If you are travelling a shorter distance, it may be more convenient to pay for a half tank at the start of the rental and save time on refuelling by returning the vehicle at half a tank (although no refund will be given for any unused fuel).

Please see the ‘Electric Vehicles (EVs)’ section above for information on electricity recharging options.

Please see Annexure 2 (Fuel & Electrical Recharging Policy) for a full explanation of your options.

Prestige, Adrenaline or Dream Collection, you must only refuel with the type of fuel specified by Hertz location staff.

**Child seats:** It is your responsibility to ensure that appropriate child seats have been fitted for children travelling in the vehicle. Hertz is not responsible for any fines, injury, death or other losses caused by not having child seats fitted in the vehicle or by children not being restrained in child seats fitted in the vehicle.

Children that require a child seat must not travel in a vehicle from the Hertz Adrenaline or Dream collection as you are not permitted to fit child seats in those vehicles.

**IMPORTANT**

You must comply with mandated seat belt and child seat restraint laws applicable to each State or Territory in Australia. Fines may be imposed by police on any occupant not wearing a seat belt or who has not fitted or properly adjusted a child seat restraint. You are responsible for checking a child seat is fitted correctly in the vehicle.

You must not leave a child unattended in the vehicle.

**Prohibited Uses**

If there is a Prohibited Use of the Vehicle, we may terminate the Agreement and take back the vehicle at any time, with or without notice and at your expense. If the Prohibited Use has caused, or contributed to, loss or damage to the vehicle or to any third party, you are liable for that loss or damage up to the full value of the vehicle and related losses and fees including third party losses as explained in the ‘Damage and Loss’ section on page 8. You are responsible for the actions of any authorised drivers.

**Prohibited Uses of a vehicle by you or an authorised driver are:**

- the driver caused damage above the windscreen line to the front, rear or side of the vehicle including but not limited to damage caused by striking overhead or overhanging objects (such as trees and bridges or entering carparks with insufficient clearance) or securing luggage, skis or other items to the vehicle’s roof causing damage,
- the driver drove the vehicle with a flat tyre, ignored a warning light, or put the wrong fuel in the vehicle,

• you are responsible for any damage or losses up to the full value of the vehicle and other fees, related losses and expenses including towing and 3rd party damage as explained in the ‘Damage and Loss’ section on page 8.
• your liability is not limited to the Loss Damage Liability (LDL);
• you lose the benefit of any Optional Renter Protection Services you have purchased; and
• we may terminate the Agreement and take back the vehicle at any time at your expense

  – a member of your immediate family who is permanently living with you;
  – your employer, employee, fellow employee or partner and the rental of the vehicle is for business purposes; or
  – a person who is contracted to perform work for you, or your employer, or an employee of a person or entity who is contracted to perform work for you, or your employer, and the rental of the vehicle relates to the performance of work; or
  – any other person approved in writing by Hertz.

• If a driver does not meet the above requirements, they must be added to the rental as an additional driver and must show us their licence. An Additional Driver Fee is payable.

• You and any person driving the vehicle must be 21 years of age or over (unless approved beforehand in writing by Hertz) and must hold and present a current drivers licence that:

Foreign and Interstate Licences
If you are currently living in Victoria you are only permitted to drive on an overseas or interstate licence for a period of 6 months (from first arriving in Victoria). After 6 months you are only permitted to drive on a Victorian licence. It is your responsibility to ensure that you hold the correct licence.

First Time Renters
If you are a first time renter paying with a debit or credit card, live within 100kms of the city in which the vehicle is being collected and your booking is not associated with a corporate account or insurance replacement rental, additional identification and payment requirements will apply to your rental. In such cases, renters will be required to provide a debit/credit card in the name of the renter and also current proof of address. Renters will also be charged a bond of either $500 (passenger and commercial vehicles) or $1,000 (prestige and adrenalin vehicles).

In order to establish the renters address the renter must provide proof by way of proof of address documentation (refer below) which must be dated within 3 months of the rental. In the event that the Drivers Licence address is not current, the Renter must provide two (2) proof of address documents with one being a utility bill or property lease agreement.

During your rental

Fines, tolls and other charges
• You are responsible for all fines, private parking charges, road tolls and other similar charges (including parking fines or charges) incurred in relation to the vehicle during the rental period. We will work with authorities for them to pass on notices of fines and parking charges to you, and we will also charge you either the Toll Administration Processing Fee or Infringement Administration Processing Fee (each a Processing Fee). If you incur toll charges during the rental, we will charge you for those tolls plus the Processing Fee (unless you have purchased Toll Cover). These charges will be processed on your chosen method of payment as detailed in the Charges Explained section on page 12.

• You have the option of purchasing Toll Cover to pre-pay a flat daily rate for your toll charges incurred during your rental, as advised at the time of reservation. For details, see Annexure 4 (Optional Renter Protection Services).

IMPORTANT
In addition to any fine, parking charge or toll you incur, we may also apply a Processing Fee to reimburse us for the time and costs we incur in dealing with these matters. Please refer to Annexure 1 (Charges Explained).

Breakdown
• Assistance: If you experience any problem with the vehicle due to mechanical failure you agree to stop driving (as soon as practicable), park the vehicle and call our roadside assistance (see Annexure 6 (Contacts)) and they will arrange help. You must not re-commence driving the vehicle unless directed to do so by the roadside assistance service. You must not move the Vehicle unless this is necessary to prevent further damage to the Vehicle or damage to other property or vehicles.
• If the vehicle is from the Hertz Prestige, Adrenaline or Dream collection, you may be provided with roadside assistance from the manufacturer. The details of this service will be provided in the vehicle’s service book. You must contact the manufacturer roadside assistance service as soon as you can if:
  – the vehicle breaks down;
  – a warning light or message becomes illuminated or displayed in the vehicle; or
  – any other event occurs which affects the performance or safety of the vehicle. If the manufacturer roadside assistance service cannot be contacted, you must contact Hertz’s roadside assistance or the customer care centre (see Annexure 6 (Contacts)).
• Cost: we will provide roadside assistance without cost to you for problems with the vehicle that were not your fault. If the problem was your fault (e.g. running out of fuel, losing the keys or locking the keys in the vehicle), you will be responsible to us for the cost of providing roadside assistance and any parts provided. See Annexure 1 (Charges Explained) for charges associated with roadside assistance and towing.
• You must not allow anyone to service or repair the vehicle without our permission.

Refer to Annexure 1 (Charges Explained) and Annexure 4 (Optional Renter Protection Services) for more detail.

Accidents
If you have an accident or if the vehicle is stolen you agree to co-operate with us and/or our insurer in any investigation or subsequent legal proceedings. Failure to do so may incur additional costs, loss or damage that will be charged to you. You must also take the following steps:
• Notification: you must inform Hertz in the event of any accident irrespective of whether it results in the vehicle being damaged or lost, or in the event of theft. You must report the accident to Hertz as soon as practicable and in any event within 24 hours. In the event that you fail to notify Hertz within 24 hours and Hertz incurs additional costs as a result of the failure to inform, then you may be charged for any additional costs reasonably incurred by Hertz. Report the accident to the police as soon as you can if anyone has been injured or any property has been damaged.
• Vehicle Incident Report (VIR): complete the VIR providing the details of your accident or the theft including any third party information even if there is no damage to the vehicle. The VIR must be completed and signed by you and provided to a member of staff when you return the vehicle. Alternatively the VIR can be found online at www.hertz.com.au/vir.
• Do Not Admit Fault: if you have an accident involving another vehicle, you must obtain the other driver’s name, address, telephone number, insurance company details, drivers licence number, vehicle registration, vehicle make/model and a copy of the police report if one has been created.
• Further details regarding accidents are in Annexure 3 (Damage Policy).

IMPORTANT
• You must provide all information related to the accident within 48 hours of any requests made by Hertz or our insurer, including any papers or other documents received by you concerning the accident.
• You consent to and authorise Hertz and/or our insurer to obtain copies of police witness statements or reports made in relation to the accident or for any police charges against you.
• Hertz may exercise reasonable discretion to terminate your rental of the vehicle and the accessories and not provide a replacement if the accident or theft was caused by a Prohibited Use of the vehicle. For the full list of Prohibited Uses, see page 6.

Proof of Address Documentation:
• Property Lease Agreement
• Utility Bill
• Telephone Account
• Letter of Employment
• Official Government Paperwork

Vehicle Monitoring System (VMS)
Our vehicles may be fitted with a VMS which can be used to open and close the vehicle and track and record the geographical location, distance and speed of the vehicle during the rental period. It can also be used to immobilise the vehicle in the event of non payment or if we have reasonable grounds to suspect the vehicle is being used for a Prohibited Use. You agree that we can track and record your location and your use of the vehicle using the VMS, which may include your personal information. Refer to Annexure 5 (Privacy & Credit Notice).
Damage and Loss

Responsibility:

- If the vehicle is lost, stolen, abandoned or damaged during the rental period (eg. involved in an accident), for each incident you are responsible even if it was not your fault (eg. other driver’s fault). This liability applies except to the extent that:

  - the loss or damage is directly due to our negligence or wilful default including our failure to properly maintain the vehicle; or
  - the damage or loss was caused by a third party and you have complied with your obligations under the Accidents section on page 8 so that we have sufficient details about the third party and/or their insurer for us to recover the loss or damage from the third party and/or their insurer. We may charge you the estimated damages or your applicable liability (whichever is less) per incident and once the loss or damage is recovered, we will refund you any difference owed; or
  - the damages comprise of personal injuries covered by compulsory third party insurance or a statutory transport accident compensation scheme.

If the Vehicle is damaged, you must not repair it without our prior written authority. If Hertz does permit you to carry out certain repairs, you must obtain an original invoice and receipt from the repairer, and upon verification of the same, we will reimburse you in line with your liability noted on your rental agreement.

**IMPORTANT**

Incident Damages:

If the vehicle (including keys or accessories) is lost, stolen or damaged, for each incident you are responsible for:

- the loss or damage to the vehicle;
- any towing and storage charges;
- loss of rental income; and
- other losses or expenses related to the incident,

up to the Loss Damage Liability (LDL) amount per incident. You must complete an Incident Report (during or within 24 hours of the end of your rental period) to benefit from any reduced or waived liability in this regard.

The Incident Report can be given to you from the Rental Counter, or it is accessible online, [here](https://www.hertz.com.au/damageflyer).

**Calculation of loss of rental income**

 Loss of rental income will be calculated by multiplying the number of days the vehicle is unavailable to rent due to repairs or replacement by 70% of the then current daily rate of rental of that vehicle.

**Optional Renter Protection Services:**

- If you have purchased Super Damage Waiver (SDW) or Maximum Damage Waiver (MDW), and your vehicle is not a Heavy Commercial Vehicle) your liability for loss or damage of the vehicle (and other damages – see above) is zero, and you will benefit from other waived fees. See Annexure 1 (Charges Explained) for more information.

- If you have purchased a full or partial Loss Damage Waiver (LDW), your liability for loss or damage to the vehicle (and other Incident Damages – see above) is capped at the reduced amount specified in the Rental Agreement.

**Consequence of using vehicle for a Prohibited Use**

- If the vehicle is used for a Prohibited Use and this caused, or contributed to, loss or damage to the vehicle, you are liable to us for that loss or damage to the vehicle up to the full value of the vehicle. You are also liable for:
  - the Hertz Claims Management Fee and External Damage Assessment Fee if there is damage to the body of the vehicle or the processing fees for other types of loss or damage (eg. cleaning due to smoking in vehicle);
  - any towing and storage charges;
  - loss of rental income; and
  - other losses or expenses related to the incident.

- Your liability to us will not be limited to the LDL, and LDW, SDW or MDW will not apply to reduce or eliminate this liability. Other Optional Renter Protection Services you may purchase will not apply to limit your liability.

- You are responsible for any third party property damage or loss arising from the Prohibited Use of the vehicle and you must indemnify us for any claim made against Hertz for that damage or loss. Your liability for personal injuries resulting from the Prohibited Use of the vehicle is covered by the statutory schemes for transport accident compensation in each State or Territory, subject to the conditions and limitations of those schemes. Hertz may charge any third party property damage or loss arising from a Prohibited Use to your chosen method of payment provided at the time of rental.

- If the vehicle is used for a Prohibited Use, or if we have reasonable grounds to suspect that it has, we may terminate the Agreement and take the vehicle back at any time at your expense.

**Calculating and charging for damage**

The process set out below for calculating and charging for damage only applies if you did not purchase SDW or MDW.

**Vehicles which are lost, stolen or involved in an incident with a third party**

- If the vehicle is lost, stolen or damaged or a 3rd party is involved in the incident, Hertz will charge your Card (as defined in Annexure 1 (Charges Explained)) at the LDL or LDW level indicated on the Rental Agreement, while investigating the incident and assessing the amount of the Incident Damages. After the investigation and damage assessment concludes, Hertz will do one of the following:
  - if Hertz finds that you were not liable for the incident and Hertz is able to recover the full amount from the third party then the amount charged on your Card will be refunded; or
  - if Hertz finds that you are liable and:
    - the LDL amount charged on your Card was more than the amount of the Incident Damages, Hertz will refund you the difference; or
    - if the amount of the Incident Damages was more than the LDL amount charged on your Card, no further charges will be levied.

**Vehicles which are damaged and do not involve a third party**

If the Vehicle is damaged and no third party is involved in the incident, Hertz will notify you (where a valid email address is provided) that a damage incident has been recorded and will commence a damage assessment. After the damage assessment concludes, if the assessment
determines that you were responsible for the damage then Hertz will charge your Card (as defined in Annexure 1 (Charges Explained)) with prior notification (where you have provided a valid email address). The amount charged will be the amount Hertz has assessed as being the Incident Damages up to the LDW amount stated on your rental agreement.

If there has been a Prohibited Use which has led to loss or damage then you will be liable for all costs and damages associated with the incident. This is the position even if SDW, MDW or LDW has been purchased.

For details on how Hertz calculates loss or damage to the vehicle and how we will charge you, see Annexure 3 (Damage Policy).

Security: You are responsible for the security of the vehicle and any accessories provided and should try to minimise the risk of theft or vandalism by parking in a safe place. Always remove valuable items from sight and make sure the vehicle is locked. You must also comply with our return instructions (see Return below).

**Purchase of insurance from third party:** If you have purchased excess waiver insurance or similar from a third party to cover your liability to Hertz, you will remain liable for payment to us irrespective of whether you obtain reimbursement from your insurer.

**Personal possessions**

You are responsible for loss or damage to your or your passengers’ personal possessions in the vehicle even if it was not your fault. Your liability will not be limited to the LDL. Loss or damage to personal possessions is not covered by any Optional Renter Protection Services.

---

**Return**

**Return Procedure**

**Requirements:** You must return the vehicle to the return location by the date and time stated on your Rental Agreement, or as otherwise agreed with us, or additional charges may apply (see Variations below).

**Prestige/Adrenaline/Dream collection** vehicles (refer to hertz.com.au for current vehicles in these categories): You are not permitted to return a vehicle from the Hertz Prestige, Adrenaline or Dream collection to a location other than the one from which the vehicle was picked up (unless approved in writing by Hertz). If this occurs, you must pay Hertz’s costs to transport the vehicle to the correct location and loss of rental income (as described above).

**Outside Operating Hours:** You may return the vehicle outside a Hertz location’s opening hours with our prior agreement, in which case you must:

- **Parking:** lock the vehicle and park in our car park;
- **Information:** complete the Return Details on the back of this Rental Terms booklet and leave it in the vehicle with any other applicable documents (such as an Vehicle Incident Report Form);
- **Keys:** do not give the keys to anybody when you park the vehicle, even if they appear to be our employee, but put them in the location’s key box or other such place as advised by Hertz location staff; and
- **Lost Property:** ensure you remove all your belongings when you return the vehicle to Hertz. We are not liable for property left in the vehicle when it is returned to Hertz. If property is found in the vehicle after you leave, we will take reasonable steps to recover and return lost property to you. You may be charged the cost of postage, delivery or courier plus the Processing Fee.

You will remain responsible for the vehicle including any damage until we regain possession of the vehicle.

**Variations**

- **Change to time or location:** If you want to change the return time or return location or arrange for us to collect the vehicle, you must call us at the number provided on the Rental Agreement. Any amendment to the agreed return arrangement is at our discretion and may involve additional charges such as the One Way Fee.
- **Wrong location:** If the vehicle is returned to the wrong location without Hertz’s prior approval, you may be charged the One Way Fee depending on the location where the vehicle was returned.

**Key information**

- Your rental charges are calculated in 24 hour periods from the time shown on the Rental Agreement. If you return the vehicle late you enter into a new 24 hour period and will be charged for that and every successive 24 hour period you enter at a current, standard rate.
- To help you, we typically allow a short ‘grace period’ to return the vehicle without being charged an extra day.
- Returning to a different location may incur the One Way Fee and other charges.

See Annexure 1 (Charges Explained) or ask at the counter for details.

---

**Charges**

**Notification:** We will check the vehicle on your return and add any additional charges that may arise from your use of the vehicle, such as for fuel. We will provide you with a revised invoice on return of the vehicle if the amount owing is different to the estimate of charges provided at the start of the rental. We will charge your Card (as defined in Annexure 1 (Charges Explained)) on return of your vehicle with the additional amounts set out in the revised invoice.

As some charges can’t be finally determined on return such as the fines and tolls we receive relating to your rental or damage to the vehicle, we may recover these additional charges by charging your Card within 60 days after the rental period. We will provide notice to you of these charges by email on request or you may download the final invoice on www.hertz.com.au/receipts. If these charges are not paid (eg. credit card is rejected or invoice is not paid) for 7 days, you agree that this will be an application by you for credit.

If you do not pay the amounts due to Hertz under your Rental Agreement (including any credit provided to you) in accordance with this Rental Agreement, you must pay interest calculated at the rate set out in Annexure 1 (Charges Explained).

Please see Annexure 1 (Charges Explained) for further information.

**Repossession of the vehicle**

- If you fail to return the vehicle to Hertz when required under the Rental Agreement (other than due to theft or an accident), and if you fail to comply with a demand by Hertz to you to return the vehicle,
  - Hertz may take steps to recover and repossess the vehicle where and when it is found. You authorise Hertz to enter any premises owned or occupied by you in order to recover or repossess the vehicle and you agree to make all reasonable efforts to obtain the right for Hertz to enter any premises to recover and repossess the vehicle; and/or
  - Hertz may deem the vehicle stolen and report it stolen. Hertz may then deregister the vehicle and you will be responsible for any & all loss (including third party personal and property damage associated with the vehicle).
- You will be responsible for the rental charges, loss of or damage to the vehicle (up to the full value of the vehicle), the Hertz Claims Management Fee, External Damage Assessment Fee, any towing and storage charges, loss of rental income, any repossession charges incurred to recover the vehicle and other losses or expenses related to the incident.
- This liability to Hertz will not be limited to the LDL, and the reduced or waived liability under LDW, MDW or SDW will not apply to reduce or waive this liability.

**IMPORTANT**

If you fail to return the vehicle (other than due to theft or an accident), you are responsible for our loss, damage, expenses and other fees. Any Optional Renter Protection Services you may have purchased will not apply to reduce or limit this liability.
Charging your card

- You must pay Hertz for all charges with a credit, visa/mastercard debit or charge card that is accepted at the pick up location (Card) or by cash.

- You also authorise Hertz to reserve credit or obtain authorisation on the Card for the amount and the expected cost of the rental plus a security bond or other such amount advised at the time of reservation.

- Hertz locations accept cash for the cost of your rental, however a valid credit / debit card must be provided to authorise the estimated cost of your rental and any bond upon collection. Once the vehicle is returned, the authorisation will be released and you can pay in cash or by card for any costs at this time.

- You authorise Hertz to charge the Card that you provided to pay the rental charges or for the security bond, with any amount that you owe Hertz under the Agreement up to 60 days after the vehicle has been returned. If the Card is not in your name, you guarantee that Hertz has the authority to charge the Card under the Agreement.

Providing Credit

- We may provide you with credit under the Agreement by deferring payment of your rental charges for 7 days or more. If we do, we will fall within the definition of a ‘credit provider’ under the Australian Privacy Act 1988, and the Credit Reporting Code registered under that Act. Depending on who you are and the purpose of your rental arrangement, we may provide you with commercial or consumer credit.

- If you do not pay the full balance of rental charges due on your return of the vehicle (for example, because we cannot process the payment on your credit card), you agree that this constitutes an application by you for credit because the payment of this balance will then be deferred by us for at least 7 days. We will notify you of the amount of credit and when payment is due. You agree that on the due date we may process the payment of the full amount on your card.

Interest

- Where interest is payable on any outstanding rental charges or other amounts due under the Agreement, this interest will be calculated daily from the next day after the due date up to and including the date of payment at the rate equal to Westpac Banking Corporation standard business overdraft rate plus 2%.

Daily rental charge for that vehicle for each additional day (or any part thereof) vehicle is returned late.

### Charges for and Interest on amounts due
If you do not pay the amounts due to Hertz under the Agreement (including any credit provided to you) in accordance with the Agreement, you will be required to pay interest calculated daily from the next day after the due date up to and including the date of payment at the rate equal to Westpac Banking Corporation standard business overdraft rate plus 2%. You will also be required to reimburse Hertz for its expenses and costs incurred in collecting from you the charges payable under the Agreement and in enforcing our rights.

All fees are calculated in accordance with our current rates and subject to final calculation at the end of the rental. Please ask at the counter for details or check online at [www.hertz.com.au/chargesexplained](http://www.hertz.com.au/chargesexplained).
Annexure 2 – Fuel & Electrical Recharging Policy

Fuel is not included in your rental rate. Your vehicle will be provided with a full tank of fuel or if the tank is not full, we will provide you with credit for the missing fuel and you can decide how you wish to pay for the fuel you use during your rental. You have the following options:

Buy a full tank at the start

• Often referred to as our Fuel Purchase Option (FPO).
• If you purchase a full tank of fuel from us at the start of your rental, you will not need to refill the tank before returning and will have nothing more to pay for fuel.
• This is a good option for high kilometre journeys where you are likely to use a full tank.

Buy a half tank at the start

• It may be more convenient to pay for a half tank of fuel at the start of the rental and save time on refuelling by returning the vehicle with only a half a tank of fuel.
• This is a good option for low kilometre journeys where you are more likely to use less fuel.

Return with a full tank

• Return the vehicle with a full tank of fuel purchased from a local fuel station.
• This is a good option for low kilometre journeys.

Or without refuelling

• A good option if you are in a hurry, did not take FPO or a Half Tank of fuel and do not have time to refill the tank on return.

Your responsibility for damage to the vehicle is set out at the Damage and Loss section of the Rental Terms. This policy covers how we assess and charge for damage and how we deal with any disputes relating to damage assessed.

Checking the vehicle

We will provide a summary of any damage on the Vehicle Condition Report (VCR) provided or found on the Rental Agreement at the start of your rental. Please check the condition of the vehicle when you collect it and if there is any discrepancy approach a Hertz representative and

Key information

Fuel Purchase Option (FPO)

We charge you at the start of your rental for a full tank of fuel at a price competitive with local fuel stations. You will have nothing more to pay to us for your fuel. Please note that we do not provide a refund for unused fuel.

Half Tank Option

We charge you at the start of your rental for a half tank of fuel at a competitive price with local fuel stations and return with only half a tank of fuel. Please note that we do not provide a refund for unused fuel.

IMPORTANT

Fuel gauges may still indicate that the tank is “full” many kilometres after it was last re-filled. To deal with this, we ask you to refill the tank within 15 km of the return location and bring your fuel receipt with you when returning the Vehicle. We ask you to present a copy of the fuel receipt to a Hertz employee or leave a copy in the Vehicle. If you do not do so, we reserve the right to apply a small charge – please ask at the counter for details.

Key information

Refuelling Service Charge:

We will charge you a price per litre to refill the tank. These prices are indicated on your Rental Agreement.

Key information

If you have any further questions, please ask Hertz Representative or Hertz.com.au when you pick up your Vehicle.
Annexure 3 – Damage Policy

request that the Vehicle Condition Report be amended or a new report be prepared. You are invited to take a time stamped photograph of the relevant pre-existing damage before leaving the rental location and show a Hertz representative on return.

We will also inspect the vehicle on your return and provide a Vehicle Incident Report (VIR) to record any new damage, which will not include any fair wear and tear.

At peak times you should allow time to complete the inspection of the vehicle with our staff and agree any damage. If you don’t have time to do this or you return the vehicle when the location is closed, any new damage will be assessed in your absence. If you have taken date & time stamped photographs of the relevant pre-existing damage, show a Hertz representative.

Damage assessment and charging

There are three common scenarios:

i. Damage – agreed on return

For damage agreed with you on return, we will take the relevant photos, create a Vehicle Incident Report (VIR) and organise a damage cost assessment through a third party.

ii. Damage – not agreed because you are not present or you are present but disagree with the damage identification

If you are not present on return, our counter staff will take the relevant photos of the vehicle, create a Vehicle Incident Report (VIR) and arrange a damage cost assessment through a third party.

iii. Significant damage

If the damage is significant we will create a Vehicle Incident Report (VIR), refer it to our damage assessors for evaluation and organise a cost assessment.

Damage assessment and charging

Charging for damage and other items

We will charge your Card with the amount set out in the final tax invoice that we have sent to you within 60 days of the date you returned the vehicle. If we have charged your Card with an estimated amount or the applicable liability, and the amount of final invoice is less than the amount charged, we will reimburse you for the difference.

Damage Disputes

Damage claims are unique and resolution time frames for each claim varies as we are required to liaise with outside parties and arrange for the repair of vehicles.

If you wish to dispute our assessment of damage, please contact the Hertz Claims Management Team on:

- Phone 1800 550 028
- Email hcmclaimsau@hertz.com

If you cause loss or damage to a Vehicle or its accessories (including keys), you must complete an Incident Report (during your rental period or within 24 hours of its end) to benefit from any reduced or waived liability. The Incident Report can be given to you from the Rental Counter, or it is accessible online, here.

Key information

Fair wear and tear

This means “ordinary wear due to reasonable use” and includes minor scratches and chips, small dents and normal wear on tyre treads and wiper blades. Review the Definition of Damage Flyer found online at www.hertz.com.au/damageflyer or provided at the start of your rental for more detail on what damage goes beyond fair wear and tear.
