

## Terms and Conditions of Rental

### Rates

All rates quoted are in Euros (€), are applicable only for rentals in Cyprus and are inclusive of Collision Damage Waiver (CDW) and Tax.

### Rentals

Minimum rental period is 24 hours. At end of rental, Hertz allows a further period of 29 minutes free of charge after the time of pick up. After the 29 minutes grace period has expired, the renter will be charged a further full day. Free delivery and collection within town limits is included in the price quoted. Delivery and/or collection of the vehicle to/from remote areas (Troodos mountains, Polis/Latsi, Pissouri) as well as to/from Paphos and Larnaca airports are subject to €19 delivery/collection charge each way (including VAT). One way rentals are subject to a delivery/collection fee of €30.

### Driver

Drivers must be in possession of a valid national driver's licence (held for a minimum of twelve months) and a valid passport. Minimum rental age is 25.

### Traffic Fines

Tickets and relevant administrative sanctions resulting from any violation of the Cyprus Traffic Law during rental period are borne solely by the renter.

### Cars

Reservations are only accepted by car group and not by car model. Specific car models are subject to availability at the time of pick up.

### Payment

Hertz can accept either cash or a valid credit card as a form of payment at the time of rental. In the case of a payment in cash a deposit of €500 is required.

### Petrol

Petrol is not included in the quoted price and must be paid in advance by the renter at the time of rental.

### Incident Administration Fee

In case of an accident due to the renter's liability, the renter has the obligation to pay to Hertz a non refundable fee of €30 for administration expenses.

### Optional Services

Baby seats are available upon request at an additional charge of €3 per day, per seat.

Additional drivers may obtain the right to drive the Hertz vehicle at an extra charge of €3 per day, per additional driver. Drivers unauthorized by Hertz are not covered by any insurance scheme and the driver will be liable for any damages caused to either the Hertz vehicle or third parties.

### Collision Damage Waiver (CDW)

CDW is included in the rates and reduces the renter's liability for damage to the Hertz vehicle, under the condition that the Cyprus Traffic Law will not be violated, to €650 for car groups A, B, €850 for car groups C, D, E, S, €1150 for car groups G, H, J, K, L, and €1800 for car group M. CDW does not cover damages for the tyres, windscreen and oil sump of the vehicle.

### Optional Insurance

### Super Collision Damage Waiver (SDW)

If you choose to accept this option, together with the CDW which is already included in the price, you will reduce the financial responsibility for loss or damage to the Hertz vehicle and its parts or accessories except by or following theft, attempted theft or vandalism, to €75 for car groups A, B, €95 for car groups C, D, E, S, €150 for car groups G, H, J, K, L, and €280 for car group M. SDW does not cover damages for the tyres, windscreen and oil sump of the vehicle.

### Theft Protection (TP)

If you choose to accept the Theft Protection option, it will relieve you of the financial responsibility for the loss of or damage to the Hertz vehicle by or following theft, attempted theft or vandalism. The cover is also extended to the parts and accessories of the vehicle. If a Hertz vehicle happens to be stolen or vandalized during your rental period and you have not taken Theft Protection, you will be responsible for the costs of its repair or replacement.

### Personal Accident Insurance (PAI)

One of the most important things to consider when taking out insurance is your personal cover. Personal Accident Insurance is a service, which has been designed to meet this need. The cover and benefits provided by this option are outlined below, but please note that they are subject to the provisions, limitations and exceptions of the Personal Insurance policy. The policy covers loss of life or total disablement of the Hertz vehicle's authorized driver caused directly by an accident whilst driving the Hertz vehicle, up to €17,000. You will also be covered for expenses of up to €450 per rented vehicle, for medical treatment resulting directly from an accident in which the Hertz vehicle is involved.
