

GENERAL RENTAL TERMS (VALID FROM 20240307)

1. IMPORTANT INFORMATION ABOUT YOUR CAR RENTAL

This summary aims to help you understand what is included and excluded in your Rental Agreement (defined below) and the options available to improve your experience. Please do not hesitate to ask the staff at the Hertz office if you need further information.

1.1 Useful tips

1.1.1 Your responsibility

You are liable to us if the vehicle is lost or damaged as well as for traffic fines and other charges that arise during the Rental Period (as defined below).

1.1.2 Damage

Check if there is any damage to the vehicle before you drive away and report any damage not already noted in the vehicle report attached to the Rental Agreement in the manner instructed by us from time to time. This helps to avoid damage disputes on return.

1.1.3 Insurance and waivers

Read the Rental Agreement carefully to understand your obligations in connection with the rental. It is important that you are aware that your insurance and waivers may be void if you are in breach of your obligations.

1.1.4 Return

You may have to pay extra charges if you return the vehicle at a different time or place to that agreed with us or if it is in a particularly dirty or smelly condition, if you return the vehicle with insufficient fuel or electric charging levels or otherwise breaches the Rental Agreement. Smoking in the vehicle will incur an extra charge.

1.1.5 Return outside opening hours

If we have agreed that you will return the vehicle outside of Hertz office opening hours, it is important that you are aware that you are responsible for the vehicle until our staff have taken care of it when the office re-opens.

1.1.6 Card payment at station

When doing card payments at our stations, only payment or credit cards with chip and pin code are accepted if not otherwise stated in the specific case.

1.2 Contacts and remedies

1.2.1 You can contact the staff at the Hertz office using the phone number stated in Rental Agreement.

1.2.2 You can contact our customer Service, see contact details on our Website (defined below), [Hyra bil - Boka hyrbil direkt på nätet | Hertz Biluthyrning](#)..

1.2.3 In case of vehicle issues during you rental, please contact Emergency Roadside Assistance, see contact details on a sticker in the vehicle and in the Rental Agreement.

1.2.4 If we are unable to resolve your issues to your satisfaction, and you rented the vehicle in another European country, you can contact the European Car Rental Conciliation Service

(ECRCS), which is an independent mediation service, or seek online dispute resolution (ODR). See Annex 6 (Contact Details) for full information.

2. INCLUDED

2.1 Insurance

Third party insurance is included in your rate and protects you or any authorized drivers against claims from any other person for death, injury or damage to property if you have an accident.

2.2 Damage waivers

Most rates include Collision Damage Waiver (CDW) and Theft Protection (TP). These waivers limit your liability to us for damage to or loss of the vehicle to the deductions stated in your Rental Agreement.

2.3 Fuel

Your vehicle is provided with a full tank or, for electric vehicles, re-charged to 60%. You must return the vehicle with a full tank or re-charged to the same level at pickup or with at least 75%, alternatively pay for the additional fuel required, including a Refueling Service Charge for the convenience of having us refuel the vehicle for you.

2.4 Breakdown service

A basic breakdown service is included in your rental to cover call outs for mechanical faults and accidents.

2.5 Equipment

Your rate includes all mandatory equipment.

2.6 Mileage

Although there is normally no limit on the distance covered during the Rental Period, there may be some exceptions which are specified in your Rental Agreement.

3. NOT INCLUDED

3.1 You can add an additional driver to the rental. We will then need to see that person's driver's license number and an additional fee will be charged.

3.2 You can also buy additional protection for injury to the driver or loss of or damage to your or your passengers' belongings by purchasing Personal Insurance (PI) cover.

3.3 You can reduce your liability to us for the CDW or TP excess to zero by purchasing SuperCover (SC).

3.4 As a cheaper alternative, where available, you can choose G&T (Glass & Tyres) to eliminate your liability for the CDW or TP excess for damage to the vehicle's windows and tyres (however not available in Sweden).

3.5 You can choose to pay for a whole tank of fuel or (for electric vehicles) 75% electric charging in advance so you do not need to fill the tank or recharge the vehicle on return (although no refund will be given for any unused fuel). Ask for the Fuel Purchase Option (FPO).

3.6 In some countries, you can purchase additional cover for the call out costs relating to breakdowns that are your fault, including for flat batteries, lost keys, use of the wrong fuel or keys locked in the vehicle with our Personal Emergency Roadside Service (PERS).

- 3.7 You can choose from our range of additional equipment and services, such as child seats, subject to availability at each Hertz office.
- 3.8 We do not cover you for any parking fines, private parking charges, road tolls or traffic violations you incur during the rental period. We will process these on your behalf, pass on the charge to you and add an administration fee for each specific matter.

4. RENTAL AGREEMENT

- 4.1 When reserving a vehicle with us, you will receive a summary of your rental with information on, for example, the rental period, additional services and an estimate of charges. By completing the reservation, you confirm that the details are correct and you then will also receive such information in a reservation confirmation (the "Reservation Confirmation"). Based on the content of the Reservation Confirmation (and taking into account any agreed adjustments) we will enter into a rental agreement with you (the "Rental Agreement") in connection with your pick-up of the vehicle. The Rental Agreement is valid between you as the person signing it and First Rent A Car AB, reg. nr 556434-7820, Mäster Samuelsgatan 20, 111 44 Stockholm, Sweden for all reservations pertaining to rentals in Sweden and with the relevant Hertz franchisee for all reservations pertaining to rentals in any other country than Sweden and all references to "Hertz", "we", "us" and "ours" relate to your contractual counterparty in the specific case.
- 4.2 The Rental Agreement contains, among other things, the Reservation Confirmation, the rental terms set out in this document (the "Rental Terms"), the country specific terms with local rules (the "Country Specific Terms") and other policies ("Policies") which are made available on our website hertz.com (the "Website") in connection with the reservation. If there is conflicting information in the agreement documents, the Rental Agreement shall take precedence over the Reservation Confirmation and the Reservation Confirmation shall take precedence over the Rental Terms and the Country Specific Terms, while the Country Specific Terms shall take precedence over the Rental Terms. In the event of an extension of your rental period, you will need to enter into a new Rental Agreement.

5. RESPONSIBILITY

5.1 Our responsibility

- 5.1.1 We are responsible to provide the vehicle in a good overall and operating condition and for replacing the vehicle in the event of a breakdown. We do not provide a replacement vehicle for breakdowns that you yourself caused. Our liability includes death and personal injury resulting from our acts or omissions. This does not include other losses resulting from the rental, unless they are a direct and foreseeable result of our negligence or breach of the Rental Agreement. In this case, our liability to you does not cover loss of profits or loss of opportunities.
- 5.1.2 If you have any claim against us due to faults or deficiencies in our services, you must, in order to enforce such claim, notify us within a reasonable time from having become aware of the claim and in no event any later than three months thereafter.

5.2 Your responsibility

- 5.2.1 You must take care of, use and return the vehicle in accordance with the terms of the Rental Agreement. You are responsible for the vehicle from the moment you pick it up until you return both the vehicle and its keys, and we have confirmed the return. This period is referred to below as "Rental period".

5.2.2 You are liable to us if the vehicle is returned late, lost or damaged, as well as for traffic fines and other charges that arise during the rental period.

5.2.3 Read through the Rental Agreement carefully so that you fully understand your responsibilities.

6. DISPUTES

6.1 We aim to resolve all disputes amicably. For contact details and information about any available independent dispute resolution services, please see Annex 6 (Contact Details).

6.2 If we are unable to resolve a dispute, Swedish law shall apply. Any part of this Rental Agreement which is held to be illegal or unenforceable under applicable law shall be considered to have been deleted, leaving the remainder in full force and effect.

7. PRIVACY

When you rent with us, you consent to us processing your personal information in accordance with our Privacy Policy. See Annex 5 (Privacy Policy) for further information.

8. TERMS FOR LONG-TERM RENTAL

If the Rental Period is 28 days or longer, you must return the vehicle to one of our rental locations at least every 28 days or at any time requested by us. We reserve the right to terminate this Rental Agreement at any time by giving you 30 days' notice either orally or in writing. The rental period may not exceed 365 days, after which the Rental agreement terminates and the vehicle must be returned.

9. INSURANCE INFORMATION

We are an insurance distributor under the Swedish Insurance Distribution Act (Sw. Lag (2018:129 om försäkringsdistribution) and therefore obligated to provide information about our distribution. All such information is available on our Website.

10.2 Please see Annex 1 (Charges Explained) for an explanation of the main charges and potential other charges that may arise from your rental. You will receive a final invoice after our damage check of the vehicle following your return.

10.3 We typically reserve an amount on your payment or credit card (or charge a deposit fee) that is greater than the estimated charges according to your Rental Agreement and we have the right to make a new reservation if you extend your rental. The reserved or deposited amount is released upon return after you have paid the rental charges. We also have the right to request advance payment of the rental charges. You can get full information at the rental location when picking up the vehicle or in our Policies, which are available on our Website.

11. CURRENCY CONVERSION

If you are travelling we may give you the option to pay in your home currency using a competitive rate of exchange. Please see Annex 7 (Currency Conversion) for more information about the countries that provide this service.

12. VEHICLE

12.1 Definition

All references to the “vehicle” in the Rental Terms refer to the vehicle we supply to you, including any replacements, plus all parts and accessories belonging to the vehicle and any additional equipment to which you access (e.g. child seats etc.).

12.2 Condition

12.2.1 It is important that you check the condition of the vehicle at the start of the rental and on return. We will provide a summary of any pre-existing damage at the start of the rental in the Rental Agreement. See Annex 3 (Damage Policy) for more information on how we process damage caused during your rental.

12.2.2 You are responsible for returning the vehicle in the condition we provided it in, subject to fair wear and tear. You will be responsible to us, to the extent allowed under applicable law, for any additional damage found on return.

The rental car is fully fueled or, for electric cars, charged to 60% when you pick it up. You must return the car fully fueled or charged to the same level as when you picked it up or with at least 75%, alternatively pay us to refuel/charge it. If we need to refuel or recharge the car, you pay for the fuel and a refill cost as compensation. In Appendix 2 (Fuel Policy) you will find a full explanation.

12.5 The fuel purchase option

You might find it more convenient to pay for a full tank at the start of the rental and save time refueling on return by taking this option.

13. RESTRICTIONS

If you do not comply with the restrictions in this section 13:

- (a) you will be liable for any damage, losses and expenses we suffer as a result;
- (b) you may lose the benefit of any insurance or waivers of liability you have taken;

13.4 **Driving outside Sweden**

You may drive the vehicle in the countries specified in the Country Specific Terms, but you must inform us of this in advance so we can note this in the Rental Agreement. If you want to drive the vehicle in any other country you must gain our prior permission. When driving outside of Sweden, we will charge you an additional fee as set out in section 2.2 of the Country Specific Terms.

Some of these will be sent to us for payment, which we will pay and recover from you by way of reimbursement. Alternatively, we may be required to provide your details to the relevant authority, who will contact you directly. When driving outside of Sweden, you are responsible controlling what rules that apply in the country in question.

14.2 In addition to the cost of the fine or fee we may charge an administration fee per fine/case as compensation for the time and costs in dealing with this matters (see the Country Specific Terms).

15. **BREAKDOWN**

15.1 **Assistance**

If you experience any problem with the vehicle due to mechanical failure or accident you should call Emergency Roadside Assistance (you will find contact details on a sticker in the vehicle and in the Rental Agreement) and they will arrange help. where you are at fault. Please note that you must not allow anyone to service or repair the vehicle without our permission.

15.2 **PERS (Premium Emergency Roadside Assistance)**

In some countries, you can purchase this additional product to cover breakdown call out costs where you are at fault. You can find further information in Annex 4 (Insurance and Waivers).

17.4.3 To the extent allowed under applicable law, our insurance and waiver products will be void if you breach these Rental Terms, or if the loss or damage is caused intentionally. Our waivers may also be invalid if the loss or damage is caused by the gross negligence of you or an authorized driver. If our insurance and waiver products are not applicable, you will be liable for damage up to an amount equivalent to actual damage (including but not limited to repair costs, transport to and from the repair shop, towing and, in some cases, downtime while the vehicle is in the repair shop). You can find complete information about the exclusions in Annex 4 (Insurance and Waivers).

17.5 **Third-party insurance**

18.3.2 Late return

18.3.2.1 Your rental charges are calculated in 24 hour periods from the time shown in the Rental Agreement. If you return the vehicle late you enter into a new 24 hour period and will be charged for that and every successive 24 hour period you enter before return at a current, standard rate.

GENERAL DESCRIPTION OF THE INSURANCE OFFERED BY CODAN FÖRSIKRING A/S THROUGH THE TRYGG-HANSA FÖRSÄKRING BRANCH

You have the option to choose insurance during the Rental Period. The insurer in this case is Codan Försikring A/S through Trygg-Hansa Försäkring (branch). This insurance covers damage to the rented vehicle for an amount not exceeding SEK 22,000 ("Maximum Amount"). It is not possible to take out insurance cover for the theft of a vehicle with a key. TPI reduces the liability for damage to the vehicle up to the maximum amount for theft and CDI reduces the liability for damage to the vehicle up to the maximum amount for the remaining claim components as provided for in column 1) below. SCI reduces liability for damage to the vehicle up to the maximum coverage as provided for in column 2) below on the condition that both TPI and CDI are purchased. If the driver is under 25 years of age and causes damage, an excess of SEK 2,000 shall apply. For minibuses and vans, an additional fee of SEK 1,500 per claim and claim component shall be charged. The insurance

applies only in Sweden if we have not approved use in another country. What the insurance does not apply to: additional rented equipment, damage caused by carelessness or negligence e.g. a carelessly loaded car, stained or broken interior, broken controls, smoking, pets and the like, damage caused by running out of fuel or refueling with improper fuel, if the vehicle is stolen with a key or if the person who hired the vehicle cannot return the car's keys. Your responsibilities: to in the event of any damage, immediately submit a damage report to whoever you hired the vehicle from. In the event of parking damage, hit-and-run, theft or collision with an animal, a police report must be filed and, if possible, witness statements provided.

Claim components (Maximum identity amount SEK 22,000)	Excesses	
	1) TPI/CDI	2) SCI
Vehicle damage, traffic damage, theft, fire damage, salvage and rescue, legal expenses, glass damage	SEK 8,500	–

You can also choose to take out PAI insurance that applies in the event of traffic accidents. If you are injured, you can receive invalidity benefits of up to SEK 500,000, death benefits of SEK 50,000, and benefits to cover essential medical, travel and dental expenses. The amounts apply to each of the passengers. Up to SEK 10,000 of damaged personal property is indemnified. In addition to this, the insurance guarantees all persons legally residing in Sweden swift access to qualified specialist care following examination and referral by a doctor should an accident occur.

The PAI also includes accidental damage coverage that includes indemnity for incorrect refueling or interior damage. The accidental damage coverage indemnifies you for any object inside the vehicle or in the truck's cockpit, and if you lose the vehicle keys due to a sudden unforeseen event. Costs for towing to a workshop and cleaning the tank if you have refueled the vehicle incorrectly.

ANNEX 1
CHARGES EXPLAINED

(A) Your estimated charges (see your Rental Agreement)

The Rental Agreement provides an estimate of the charges applicable to your rental. These charges may typically include the following:

MANDATORY COSTS	
Rental price	The agreed rental rate is shown as a per week or per day amount, includes third party insurance and may include Collision Damage Waiver (CDM) and Theft Protection (TP).
Mileage	An estimated mileage may also be included in your rental rate. A fee may apply if you exceed this estimate.
Location service charge	Included at certain locations (e.g. airports and railway stations) to reflect the higher cost of providing services from there.
Vehicle license fee	Passes on your share of the charge we incur for keeping the vehicle on the road.
Young driver surcharge	May apply if you or any additional driver is under the age of 25.
OPTIONAL PRODUCTS AND SERVICES	
Additional driver	We apply a standard fee for each additional driver added to your Rental Agreement to cover our additional insurance costs.
One way fee	Will be charged when the vehicle is not picked up and returned at the same location.
Insurance and waiver options	The Rental Agreement will show if our insurance and waiver options have been accepted or declined by you or are otherwise included in your rate. We also show the excess applicable to Collision Damage Waiver (CDW) and Theft Protection (TP) and the full charge for the agreed rental period, inclusive of tax.
Optional equipment	The Rental Agreement lists any optional equipment you have selected, such as baby/child seats and winter tyres, showing the full charge for the agreed rental period, inclusive of tax.
TOTAL AMOUNT	
Estimated rental charges	The total estimated charges at the start of the rental including tax. Charges are 'estimated' because they exclude any potential fuel or other charges you may incur through your use of the vehicle during your rental.
Total estimated rental charges	The estimated rental charges plus the maximum fuel charge you could incur if you return the vehicle empty (i.e. a full tank of fuel with a refueling service charge at current rates).

(A) Potential added charges

You may incur additional charges as a result of your use of the vehicle or other incidents that occur during the rental. These include the following:

FUEL	
Fuel Purchase Option (FPO)	You pay for a full tank, or 75% electric charging for electric cars, upfront (although no refunds are given for any unused fuel).
Refueling/Recharging price	If you don't fill up/recharge the vehicle on return and haven't opted for FPO, we will charge you a price per liter to fill the tank.
Refueling/Recharging service charge	Applies on top of the amount charged for refueling/recharging if we fill the tank/recharge the battery for you on return and you have not taken FPO.
VEHICLE CONDITION	
Damage/loss charges	Applied if the vehicle is lost or damaged either (i) if you have not purchased our waiver products (e.g. CDW & TP), to the full value of the vehicle, or (ii) if you have taken our waivers to the excess amount. Does not apply if you have chosen SuperCover.
Damage administration charge*	A fixed charge to recover our costs for dealing with damage caused to the vehicle. Does not apply if you have chosen SuperCover.
Extra cleaning charge*	Applies if you return the vehicle needing more than our standard cleaning to make it ready for its next rental.
Smoke charge*	Smoking is prohibited in all vehicles. This covers our costs of preparing the vehicle for the next rental.
VEHICLE USE	
Local toll and road charges	You are responsible for paying all local road and toll charges that arise during the Rental Period.
Traffic fines and penalties	You are responsible paying the full penalty of any parking fine or charge, traffic fine or other penalty that incur during your rental period.
Fines administration charges*	A standard charge to recover our costs of dealing with any road charge, parking fine or charge, traffic fine or other penalty you incur during your rental.
EARLY/LATE RETURN	
Early return charge*	Applies if you did not prepay your rental charges, committed to a rental term and then brought the vehicle back early. You will only pay for the number of rental days, but we reserve the right to make this charge to compensate us in part for our inability to rent your vehicle during the remaining time reserved for your use.
Additional rental days	You may be charged an extra day's rental for each 24 hour period entered into following the return time at then current rental rates,

	although you are allowed a 'grace period' of 29 minutes to return the vehicle after the agreed return time.
Late return charge *	In addition to charging additional rental days for late return, we reserve the right to make this charge to compensate us in part for the costs we incur in finding an alternative vehicle to satisfy our next booking for your vehicle plus our administration costs in contacting you to return the vehicle.

All costs are calculated on the basis of our current prices subject to final calculation at the end of the Rental Period.

* For car rental in Germany, this fee is not charged if you can prove that you are not responsible for the fine, that we do not incur any additional costs or if our costs are lower than the specified fee.

ANNEX 2 FUEL POLICY

Fuel and electric charging is not included in the rental price. The vehicle is fully fueled when you pick it up and you choose how you will pay for the fuel consumed during the rental period. Electric vehicles are charged with at least 60 % battery capacity at pick-up and will need to be returned with the same battery level to avoid over the refueling fee plus charges for missing kWh. You have the following options.

Buy a full tank/60 % battery level when you pick up the vehicle

- This is sometimes called "full to empty tank" and is our alternative for fuel purchases.
- If you buy a full tank/at least 60% battery level from us when you pick up the car, you don't have to refuel or charge the battery when you return the car and you don't have to pay anything more for the fuel. This is a good option for journeys with long distances that probably require a full tank.

The fuel purchase option

When you pick up the car, we charge you for a full tank at a competitive price compared to local petrol and charging stations. You do not have to pay anything more for the fuel. Please note that we do not provide a refund for unused fuel.

Return to a full tank/same battery level as at pick-up or at least 75% charged battery

- This is sometimes called a "full to full tank".
- Return the car with a full tank or with the same battery level as when collected or with at least 75% charged battery after refueling or charging at a local petrol or charging station.
- This is a good option for trips with short mileage.
- The fuel gauge can indicate that the tank is "Full" several miles after it was last refueled. Therefore, we ask you to refuel within 15 km from Hertz office before return and submit the receipt when you return the vehicle. If you do not, we reserve the right to charge a smaller cost. Ask the staff Hertz office for more information.

...or without refueling/recharging

- This is a good option if you are in a hurry, have not opted for the fuel purchase option and do not have time to refuel or recharge your vehicle before returning.
- We normally specify two estimated amounts in the Rental Agreement to illustrate the potential cost of returning the car without filling up: – without fuel (condition: that the car is returned with a full tank or charged with the same battery level as when picked up or with at least 75% battery capacity to avoid the charge for charging plus the surcharge for missing kWh) – including a full tank (condition: the car is returned with an empty tank or empty battery to indicate the maximum cost).

Fuel/charging costs

We charge a price per liter to fill the tank, including or in addition to a service fee for filling up for you. Electric vehicles need to be returned with the same battery level as when picked up or with at least 75% battery capacity to avoid the fee for refueling/recharging plus supplement for missing kWh. Plug-in

hybrids may come with a charged battery but no fee or kWh charge applies if the battery is returned empty.

Ask the staff at the Hertz office when you pick up the vehicle if you have any other questions.

ANNEX 3 DAMAGE POLICY

Your responsibility for damage to the vehicle is set out at the Damage and Theft section of the Rental Terms. This policy covers how we assess and charge for damage and how we handle any disputes relating to damage assessed.

Checking the vehicle

We will provide a summary of any damage on the vehicle in a vehicle report attached to the Rental Agreement at the start of the Rental Period. Please check to make sure it is correct. We will also inspect the vehicle when you return it and provide a vehicle report to record any new damage (normal wear and tear is not recorded).

In peak hours, you should allow 20 to 30 minutes to complete the inspection with our staff and agree to any damage. If you do not have time for this, any new damage will be assessed in your absence.

Normal wear and tear

This is defined as “ordinary wear due to reasonable use” and includes minor scratches and chips, small dents and normal wear to tyres and wiper blades. The exact criteria varies from country to country and you will find more information about this here:

https://images.hertz.com/content/SE/PDF/Guidelines_on_wear_and_damage.pdf

Hidden damage

Some damage will not be detected during the post-rental inspection, such as damage caused to inaccessible parts of the vehicle (such as the engine, fuel tank or clutch) or damage that is not visible due to adverse light or weather conditions. If we detect any such damage we will notify you, with evidence, before we charge you.

Damage assessment and charging

There are three common scenarios:

- **Minor damage – agreed upon return**
For minor damage agreed with you on return, we will charge you according to our damage matrix (see below).
- **Minor damage – not agreed because of your absence**
If you are not present on return and the damage is minor, our staff will evaluate the charge using the damage matrix, notify you by mail/e-mail and charge you in arrears. Our goal is complete this within 24 hours of return. The charging will normally be made via the same payment method that you used to pay for your rental.
- **Significant damage**
If the damage is significant and is not covered by the damage matrix, we will refer it to our damage assessors for evaluation. They will contact you in writing with information about the damage and the charge, with evidence, seven days before charging your payment or credit card. Our goal is to complete this assessment in 30 to 90 days.

Damage matrix

Our goal is to deal with damage in a quick and practical way by using our damage repair matrix. This contains the average cost of repairing the most common and minor damage based on the cost of body

repair shops for parts and labor. You can find the damage matrix here: <https://www.hertz.se/p/hjalp/skador-och-service/kostnader>.

Notification and evidence

We will provide evidence of any damage charge we make, which should include (i) the Rental Agreement number, date and return location, (ii) a damage appraisal from a repair body shop and/ or the invoice for the repairs, and (iii) the signed Rental Agreement including the vehicle report, any accident report form, photographs of the damage in site and of the odometer.

Disputes

- If you dispute a damage charge we will send full information, including any arguments and supporting evidence you provide, to our Collections Department, who will re-evaluate the case. If they agree with you, no charge will be made or you will be refunded in whole or in part. If they do not agree with you, they will proceed to collect the sum invoiced.
- If you are not satisfied with our assessment, you can contact our Customer Relations Department, who will review the entire matter and give you an appropriate refund if they disagree with any charge made. They aim to deal with all customer contacts within 14 days.
- If we are still unable to resolve the matter to your satisfaction we will refer you, where possible, to an independent adjudicator, whose decision will be binding on us.

You can find full information and contact information in Annex 6 (Contact Details).

Independent advice

ECRCS

If we are unable to resolve an issue to your satisfaction you can contact the European Car Rental Conciliation Service (ECRCS) provided you are an EU resident and you were renting in a different EU country.

The ECRCS is an independent conciliation service staffed by people who understand the car rental industry. They review any complaints against a Code of Conduct for car rental companies, prepared by Leaseurope on behalf of the industry, which we have signed up to.

If a company has acted outside the requirements of the Code, the ECRCS will automatically find against them. Otherwise, they will decide on the merits of the case. We will comply with the decision of the ECRCS.

You can contact the ECRCS via www.ecrcs.com.

Other options

Alternatively, if your issue is not eligible for the ECRCS, but concerns a European country, you can seek online dispute resolution (ODR) through [Online Dispute Resolution | European Commission \(europa.eu\)](#) or contact the European Consumer Centres Network (https://commission.europa.eu/live-work-travel-eu/consumers/resolve-your-consumer-complaint/european-consumer-centres-network_en) to get more information about your rights.

You are, of course, free to continue to seek redress through any other means, such as through the courts, if you remain unsatisfied.

ANNEX 7

CURRENCY CONVERSION

Choose your currency (CYC) is an optional service that provides foreign rental charges in your home currency.

What is it?

When you use your payment or credit card to pay for transactions abroad, you normally pay in the local (i.e. foreign) currency. Your payment or credit card company then converts the to your home currency, if different, and shows them on your payment or credit card statement.

CYC replaces the currency conversion normally carried out by the card company with a service provided by our acquiring bank, who convert the charges using a competitive rate of exchange for the day you receive your rental receipt. The charges for your rental will then appear on your rental invoice in your home currency rather than in the local currency of the rental location.

Your choice...

At participating locations in Europe, we will ask if you wish to see your rental charges in your home currency, via CYC, or in a local currency, by leaving the conversion to be made after the rental by your card company. Your choice will be recorded in your Rental Agreement.

Home currency

If you choose to receive your rental charges in your home currency, CYC will apply and the conversion will be made at the rental location. Your invoice will show your rental charges in your home currency, the exchange rate used (including a conversion fee) and the original charges in local (i.e. foreign) currency.

The home currency charges will then be sent to your card company and will appear on your card statement.

Local currency

If you choose to receive the rental charges in the local (i.e. foreign) currency, your invoice will show your rental charges in the currency of the rental location.

These charges will be sent to your card company which will convert them into your home currency and post them to your card statement indicating the rate of exchange used. Many card companies charge a fee for this service.
