Self-drive Tips

All car occupants must wear seat belts at all times and always carry a current road map or a reliable navigating system.

Beware of Animals on the Road –

Australian wildlife and livestock often graze on the roadside and can stray onto the road. Be very careful when driving at sunrise, sunset and at night, when kangaroos and other animals are most active.

Specific Road Rules – Fraser Island has specific road rules, especially for four wheel drive (4WD) vehicles.
