## Self-drive Tips

If you're planning to drive around the City, use Google Maps to help you navigate New York City roads. Also, make sure you know where to park- there are NYC & Company's member parking garages.

Register for an E-ZPass®, an electronic toll collection system, which takes cash, coins and toll tickets out of the toll collection process.

### 511 New York

This is the New York State Department of Transportation's free, official one-stop, all-encompassing telephone and Web service offering information on transportation services and conditions throughout New York State.

Visit [www.hertz.com/drivingmatrix](http://www.hertz.com/drivingmatrix) to find out which side you are driving
