1. General

- 1.1 These country-specific terms (the "Terms") form part of the Rental Agreement which you enter into when making a reservation (the "Rental Agreement"). Unless otherwise stated, the definitions used in the Rental Agreement shall also apply to the Terms.
- 1.2 The Terms apply to the rental of vehicles within Sweden. The Terms apply when renting a passenger car or light truck up to 3.5 tons.

2. The use of the vehicle

- 2.1 A copy of the Rental agreement must, during the Rental Period, be kept in the vehicle and on request be presented to a police officer, customs officer or other entity representing our interests. You may use the vehicle for normal use within Sweden. If you wish to use the vehicle outside Sweden, you must gain our prior written permission. Your right to use of the vehicle in accordance with the Terms will terminate immediately if you attempt to drive the vehicle outside Sweden without our prior written permission. This means that the police/customs or any other entity representing our interests has the right to seize and detain the vehicle. You will be liable for, and shall indemnify us for any charges we may suffer if you or your proxy have wrongfully driven, or attempted to drive, outside of Sweden or any other country unless we have given our prior written permission.

- 2.2 If you have driven the vehicle outside Sweden, we also have the right to add a foreign surcharge. If the vehicle is driven into Norway, Denmark or Finland, this surcharge will amount to SEK 300 including VAT. For other countries this surcharge will amount to SEK 300 including VAT per day, not exceeding SEK 1,500 including VAT per rental period

We have the right to inspect the vehicle during the Rental Period, when we have reason to assume our ownership rights are being endangered or there is a significant risk of loss of value in excess of what can be expected from normal use.

- 2.3 You must not use the vehicle to transport animals (unless we have given you our prior permission to do so).
- 2.4 Regardless whether any additional drivers have been approved and added to the Rental Agreement, it is the renter who is responsible for ensuring that the additional driver is authorised to drive the vehicle.

3. Rental charges and late payment

- 3.1 The rental charges are specified in the Reservation Confirmation you receive when making the reservation. You are responsible for paying the rental fees. If you, when making the reservation, specify that the rental charges will be paid by a third party, such as a legal entity, you will be jointly and severally responsible to pay all rental charges. We also have the right to charge you post-return for any additional charges incurred during the rental period.
- 3.2 When picking up the car, we always reserve an amount on your payment or credit card that is at least as large as the estimated costs shown in the Booking Confirmation + SEK 2,000. Deviations may occur. We have the right to make a major reservation / authorization if we for any reason deem it necessary. We also have the right to request an advance on the rental costs. The amount that we authorize is reserved between 3–30 banking days, depending on which bank you as a customer have.

By accepting the terms of the lease, the lessee allows the owner of the vehicle to debit the debit-, or credit card used for the booking and / or collection of the car, that the owner can debit the lessee's debit-, or credit card or deposit for all amounts and fees the lessee is responsible for according to the rental agreement and that all fees are charged without prior notice. In the event of damage, the deductible is charged to the specified payment method, and the tenant is responsible for claiming compensation from his own insurance company in cases where the tenant is insured through someone other than Hertz.

- 3.3 If you do not pay the rental charges on the agreed date, we will place a penalty fee corresponding to an interest rate of the Central Bank of Sweden's (Sw. Riksbanken) reference rate applicable at the time. An additional 8 percentage points and a reminder fee of SEK 50 including VAT will be charged.

When invoicing, we have the right to charge an administration charge of SEK 62.50 including VAT.

4. Cancellation of a late or non-delivery

We will provide the vehicle at an agreed time. If we are unable to fulfil this, you are entitled to a reduction of the rental charges by an amount corresponding to the delay or, if the delay is significant, terminate the Rental Agreement. You do not have the right to terminate the agreement if we immediately, and without serious inconvenience to you, offer another acceptable vehicle.

5. Service inspections

You must observe and comply with the vehicle's warning system and notify us of any faults. If the vehicle is rented on a monthly basis, you are responsible for ensuring that the prescribed service inspections are carried out at a body repair shop designated by us and that stamp is inserted into the service book. The vehicle's service intervals must comply with the vehicle's instruction manual and indications from service lights.

When such service inspection takes place, we must, on request, specify the odometer reading. If you do not comply with the above, you will be charged SEK 10 for each 10 km exceeding the vehicle's service interval. We will reimburse any costs related to the service inspection.

6. Our responsibility in the event of breakdown or damage

We are by law responsible to provide the vehicle in a good overall and operating condition. In the event of vehicle breakdown or mechanical faults due to poor vehicle condition you will be entitled to a reduction of the rental charges or, if it has a significant impact on you, terminate the Rental Agreement. However, the agreement may not be terminated if we, without unreasonable delay, ensure that the vehicle is repaired or provide a replacement vehicle of which you have no valid reason to refuse.

If a breakdown occurs due to a traffic incident or mechanical fault, which disables further travel, or in the event of theft, the Rental Agreement shall be terminated after you have notified us of the situation. If the vehicle is stolen you need to file a police report.

7. Congestion charges, infrastructure charges, road tolls and traffic fines

When driving in central parts of Stockholm and Gothenburg, a congestion charge or infrastructure charge is in some cases applied. Some of these will be sent to us for payment, which we will pay and recover from you by way of reimbursement. Further information about these charges is provided in our policies available on our Website.

We will invoice you the actual costs of congestion charges incurred during the Rental Period and an additional administration charge of 25 % of the actual charges. The administration charge is limited to a total amount of SEK 250. We will also invoice you a so-called road and traffic fee amounting to a fixed rate of SEK 22 per day.

8. Fuel charges

If you choose to return the vehicle without filling up the tank or recharging the electric vehicle's battery to at least 80% capacity, we have the right to charge a fee. The refueling charge varies depending on where in the country the vehicle is returned and final information about the actual charge will be provided when you pick up the vehicle.

9. Administration charge – Fines, tolls and other charges

You are responsible for paying any fines, charges or fees incurred during the rental period. If you fail to pay there, we will pay them and recover from you by way of reimbursement. We will apply a handling fee of SEK 500 including VAT for each case. We may be required to provide your details to the relevant authority, in this case an administration charge of SEK 500 including VAT will be applied.

10. Responsibility and liability for damage to or loss of the vehicle

You are liable and shall indemnify us for any damage incurred to the vehicle during the Rental Period with the restrictions that follow from this paragraph. Your liability is thorough, but you do not need to compensate us for any damage if we have been reimbursed by a third party or their insurers.
